A Special Meeting of the Executive Committee was called to discuss the prospect of renting the VFW outdoor space for summer performances. The discussion included the following topics:

Rental costs, set costs, potential revenue, size of audience, security, parking, liquor, restrooms, insurance and budget.

After a full discussion and questions answered, a motion was approved to continue discussions with the VFW and the Town, and to add this to our 2021 budget draft. The Executive Committee will meet again to review the budget draft before sending it to the full board for consideration and approval at its March 12 meeting.

The committee also discussed a co-production with Dreamland Stage Company for island youth.

Respectfully submitted,
Ellie Gottwald
